

Summer Reading Project

For your summer reading project, you will create a PowerPoint for your reading of *Liar and Spy*.

When you turn in your work, you will not turn in a packet- you will turn in a flash drive marked with your name, and I will give it back to you as soon as I am done grading them. These will be due on Monday, August 17, 2017.

The project will include the follow slides. Each bullet represents a separate slide. These slides should be written in the paragraph form. I don't want just words or phrases because I want to see how much you have retained from 7th grade!

- Title Page
- Exposition which includes setting and characters
- Conflict- a paragraph PLUS I want you to label man vs. _____
- Rising Action (8-10 slides)
- Climax
- Falling Action (4-5 slides)
- Resolution
- Illustration- this can be computer art or you can draw it and insert a picture onto a slide
- Your thoughts on the book- how could it have been better, what you liked/disliked, etc.
- Author's biography and examples of other books

Anything else that you would like to add would be great but not required.

Happy Reading!
