

## TUITION ASSISTANCE

THE NAZARETH ACADEMY TUITION ASSISTANCE PROGRAM is funded by an endowed scholarship fund and patrons of the school. **Tuition assistance is considered a loan by the Sisters that may be repaid at some future time by contributing to the Scholarship Fund to help other students who would be unable to attend Nazareth Academy without tuition assistance.**

Tuition assistance is based on financial need and is granted for one year. A new application for assistance is required for each school year.

Students do not receive full tuition assistance. Students receiving tuition assistance are expected to maintain at least an academic average of "C" or higher in each semester grading period and not pose a discipline problem. The parents are expected to cooperate fully with the teachers and principal. **Tuition assistance is based in part upon a student's previous academic achievement and conduct.** It will continue only if the parents and student continue to meet these qualifications.

**DEADLINE FOR APPLICATIONS IS APRIL 18!!!**

**NO APPLICATIONS WILL BE CONSIDERED AFTER APRIL 18**
