Dear Parents,

It is my pleasure to be your child's 4th Grade Reading teacher for the 2018-19 school year! The 4th grade summer reading assignment this year is Crenshaw by Katherine Applegate. This book can be purchased on Amazon.com for approximately \$7 (paperback). Along with reading the book, students are to create a Venn Diagram comparing and contrasting their own life to that of Jackson (when his family is homeless). This is to be done on a poster board approximately 12 x 18 (half the size of a standard poster board). Also on the poster board, the student is to use visualization to draw and color what they think Crenshaw looks like. This project is due the first Friday of the 2018-2019 school year. The students should also expect to be given a quiz and complete related activities over the book during the first week of school. Have a safe and relaxing summer break!
