

## 8th Grade Summer Reading

For your summer reading assignment, you will be reading the book *Esperanza Rising*. Since this was on your school supply list last year, you probably already have it. You are creating a PowerPoint assignment that will be turned in on a flash drive. The requirements are as follows:

1. Title slide
2. Exposition- this should include setting and characters
3. Conflict- you should label man vs. \_\_\_\_\_ and name vs. name (i.e. - man vs. man and Ponyboy vs. Bob)
4. Rising action
5. Climax
6. Falling action
7. Resolution

At a minimum, you should have no less than seven slides. You may, however, have more than seven. For example, the rising action might require more than one slide. Remember – we’ve been practicing for this all year with every single book that we’ve read. The only difference is that you are not creating a plot mountain, you’re putting it all on PowerPoint. I expect for each slide to be detailed and not just list phrases. Be creative, add clip art, make neat transitions, add cool effects – personalize it as much is possible! The only thing you’re turning into me is a flash drive. Before you turn it in, ensure that it was saved properly. This is due the first day of school.

There will be a test over the book.

Have a blessed and great summer!
